

RTOC Action Item #9 - Request list of EPA water trainings

US EPA has a training website for Tribes on water programs, go to <http://water.epa.gov/learn/training/tribaltraining/>. The website includes information on:

- Both National and Region-specific trainings, including EPA Region 9
- On-line self-paced trainings
- Webcasts: archived and information on upcoming webcasts
- Clean Water Act Resources

For a detailed list of a variety of water-related trainings, go to <http://water.epa.gov/learn/training/index.cfm> for information on:

- CWA 404 Regulatory
- Drinking Water Academy – provides links to specific trainings by State
- Drinking Water Operator Certification
- NPDES Training
- Water Quality Standards Academy
- Watershed Academy (to address polluted runoff)
- Wastewater Operator Training

For a detailed list of a variety of non-EPA water-related trainings, go to <http://water.epa.gov/learn/training/tribaltraining/nonepatrainig.cfm> which includes information on trainings from:

- Institute for Tribal Environmental Professionals (ITEP)
