

**SPECIAL WATER AND WASTEWATER INFRASTRUCTURE PROJECTS (STAG ACCOUNT)  
INCLUDED IN EPA'S FY 2009 APPROPRIATIONS ACT**

Line Item #	State	Earmark Designation	Conference Report Earmark Amount	Final Amount*
Region 1	CT	The City of Bristol, East Bristol Sanitary Sewer Overflow Reduction Project	\$500,000	\$485,000
	CT	The City of Stamford, Harbor Point Water and Wastewater Infrastructure Improvement Initiative	\$500,000	\$485,000
	CT	Norwich Public Utilities for the Norwich wastewater facility improvements	\$300,000	\$291,000
	CT	The Town of North Haven, Wharton Brook Industrial Park and Todd Drive Area Sewer Project	\$500,000	\$485,000
	MA	The Cities of Fall River and New Bedford and the Town of Acushnet, Bristol County Sewer CSO and Sewer Infrastructure	\$750,000	\$728,000
	MA	The City of Brockton for wastewater sytem improvements	\$300,000	\$291,000
	MA	The City of Malden Redevelopment Authority, Lead Water Pipe Replacement Program	\$500,000	\$485,000
	MA	The City of Malborough, Westerly Wastewater Treatment Facility Upgrades	\$500,000	\$485,000
	MA	Pioneer Valley Planning Commission, Connecticut River Combined Sewer Overflow Projects	\$1,000,000	\$970,000
	MA	The Town of Montague, Combined Sewer Overflow Reduction and Water Pollution Control Facility Improvements Project	\$1,000,000	\$970,000
	ME	The City of Elsworth for construction of a wastewater treatment plant	\$375,000	\$364,000
	ME	Monson Utility District for existing wells and distribution mains improvements project	\$425,000	\$413,000
	ME	The Town of Bingham, South End Sewer and Pump Station Infrastructure Improvements	\$500,000	\$485,000
	NH	The City of Berlin for water systems improvements project	\$400,000	\$388,000
	NH	The City of Franklin for wastewater treatment facility improvements project	\$200,000	\$194,000
	NH	The City of Goffstown for municipal sewer water project	\$200,000	\$194,000
	NH	The City of Manchester for combined sewer overflow improvements project	\$400,000	\$388,000
	NH	The City of Nashua for combined sewer overflow improvements project	\$400,000	\$388,000
	RI	The City of East Providence, East Providence Sewer Project	\$200,000	\$194,000
	RI	Lincoln Water Commission for drinking water system improvements	\$300,000	\$291,000
	RI	Newport Chamber of Commerce, Aquidneck Wastewater Treatment Facility Planning	\$500,000	\$485,000
	RI	The Town of Bristol for wastewater system improvements	\$300,000	\$291,000
	RI	The Town of North Providence for stormwater system improvements	\$600,000	\$582,000
	RI	The Town of Warren for Touisset Point septic system upgrades and replacement	\$300,000	\$291,000
	VT	Ferrisburgh Fire District #1 for water supply upgrades	\$300,000	\$291,000
	VT	Jay-Troy Sewer Authority for wastewater treatment facility improvements	\$925,000	\$898,000
	VT	The Town of Elmore for water supply and wastewater system improvements	\$275,000	\$267,000
			<b>\$12,450,000</b>	<b>\$12,079,000</b>
183	NJ	The Borough of Hopatcong, Elba Point Water Infrastructure	\$500,000	\$485,000
184	NJ	The Borough of Jamesburg for wastewater system upgrades	\$150,000	\$146,000
185	NJ	The Borough of Merchantville for stormwater management system improvements	\$300,000	\$291,000
186	NJ	The City of Engelwood, Sanitary Sewer Lateral Replacement Project	\$500,000	\$485,000
187	NJ	The City of Newark for a water system security initiative	\$300,000	\$291,000

Region 2	188	NJ	Cooper's Ferry Development Association for the Pyne Poynt Park Storm Water Management project in Camden	\$300,000	\$291,000
	189	NJ	Passaic Valley Sewerage Authority for wastewater system improvements	\$300,000	\$291,000
	198	NY	Cayuga County Water and Sewer Authority, Fairhaven Wastewater Infrastructure Improvements	\$500,000	\$485,000
	199	NY	The City of Middletown, Water and Wastewater Infrastructure Improvements	\$800,000	\$776,000
	200	NY	The City of New York, Twin Lakes Restoration Project	\$500,000	\$485,000
	201	NY	The City of Norwich, Replacement and Renovation of the Norwich Wastewater Treatment Plant	\$500,000	\$485,000
	202	NY	The City of Rochester, Durand Eastman Beach Water Quality Improvement	\$750,000	\$728,000
	203	NY	Monroe County Water Authority, Town of Pittsford Disinfection By-Product Treatment Project	\$495,000	\$481,000
	204	NY	Suffolk County Department of Public Works, Suffolk County Sewer District No. 3, Southwest Ocean Outfall Replacement	\$500,000	\$485,000
	205	NY	The Village of Canastota, Combined Sewer Overflow Infrastructure	\$500,000	\$485,000
	206	NY	The Village of Mamaroneck, Drainage Improvement Projects	\$500,000	\$485,000
	207	NY	The Village of Massena for drinking and wastewater line improvements	\$300,000	\$291,000
	208	NY	The Village of Pelham, Stormwater Infrastructure	\$350,000	\$340,000
				<b>\$8,045,000</b>	<b>\$7,806,000</b>
Region 3	56	DE	The City of Wilmington wastewater treatment plant headworks upgrade	\$300,000	\$291,000
	57	DE	New Castle County for Old Shellpot Interceptor Improvements	\$698,000	\$678,000
	130	MD	Allegany County Commission for George's Creek wastewater treatment plant improvements	\$300,000	\$291,000
	131	MD	Charles County, Closed Loop Effluent Reuse System	\$750,000	\$728,000
	132	MD	The City of Cumberland Department of Public Works for wastewater system improvements	\$300,000	\$291,000
	133	MD	The City of Frostburg, MD Department of Public Works for combined sewer overflow improvements	\$300,000	\$291,000
	134	MD	The City of Hagerstown for drinking water system improvements	\$300,000	\$291,000
	135	MD	The City of Rockville, Sanitary Sewer Rehabilitation Project	\$500,000	\$485,000
	136	MD	Harford County, Wastewater Reuse Pipeline at Aberdeen Proving Ground	\$500,000	\$485,000
	137	MD	Washington, D.C. Water and Sewer Authority for nutrient removal upgrades at the Blue Plains facility	\$300,000	\$291,000
	221	PA	Allegheny County Sanitary Authority, Three Rivers Wet Weather Demonstration Program, Overflow Control Demonstration Facilities	\$600,000	\$582,000
	222	PA	The Borough of Dormont, Mattern Avenue Storm Sewer Project	\$138,000	\$134,000
	223	PA	Bridgeport Borough in Montgomery County for combined sewer separation and sewer construction project	\$200,000	\$194,000
	224	PA	Bristol Township, Wastewater Infrastructure Improvements	\$500,000	\$485,000
	225	PA	Centre County, Phillipsburg Borough Storm and Wastewater Infrastructure	\$500,000	\$485,000
	226	PA	The City of Reading, Wastewater Treatment Plant	\$500,000	\$485,000
	227	PA	Cochranon Borough, Sewage Infrastructure	\$500,000	\$485,000
	228	PA	Fayette County Redevelopment Authority, Dunbar Township Municipal Authority Sewer Project	\$1,000,000	\$970,000
	229	PA	Lower Milford Township in Lehigh County for wastewater treatment plant construction project	\$200,000	\$194,000
	230	PA	Redbank Valley Municipal Authority for wastewater and water quality protection project	\$200,000	\$194,000
	231	PA	Salford Township, Tylersport Sewer Improvements	\$350,000	\$340,000
	232	PA	Somerset County Board of Commissioners for the Bakersville water line extension	\$300,000	\$291,000
	233	PA	Somerset County, Ralphton Water Infrastructure	\$200,000	\$194,000
	234	PA	South Creek Township in Bradford County for wastewater and water quality protection project	\$200,000	\$194,000
	235	PA	Washington County, Vestaburg-New Hill Sanitary Sewer System	\$1,000,000	\$970,000

270	VA	The City of Alexandria and Arlington County, Four Mile Run Water Quality Project	\$500,000	\$485,000
271	VA	The City of Falls Church, Falls Church Stormwater and Sanitary Sewer Improvements	\$500,000	\$485,000
272	VA	The City of Lynchburg, Combined Sewer Overflow Infrastructure	\$500,000	\$485,000
273	VA	Franklin County, Water System Improvements	\$500,000	\$485,000
274	VA	The Town of Onancock, Water and Wastewater Treatment Infrastructure	\$500,000	\$485,000
294	WV	Central Hampshire PSD, Sewer Interconnector	\$500,000	\$485,000
295	WV	The City of Glen Dale, Water Line Extension and Improvement Project	\$310,000	\$301,000
296	WV	The City of Moorefield for wastewater treatment plant improvements	\$3,000,000	\$2,910,000
297	WV	Kanawha County Commission for the Derrick's Creek waterline replacement project	\$184,000	\$179,000
298	WV	Mingo County Commission, Mingo County Air Transportation Park Water Project	\$750,000	\$728,000
300	WV	Taylor County Commission, Sewer Extension	\$1,000,000	\$970,000
			<b>\$18,880,000</b>	<b>\$18,317,000</b>
5	AL	Butler County for water treatment facility upgrades project	\$300,000	\$291,000
6	AL	The City of Alexander City for water transmission main extension project	\$550,000	\$534,000
7	AL	The City of Athens for water transmission main extension project	\$1,000,000	\$970,000
8	AL	The City of Attalla, North Attalla Sewer Project	\$500,000	\$485,000
9	AL	The City of Jackson, US HWY 43 Main	\$500,000	\$485,000
10	AL	The City of Opelika for water transmission main extension project	\$450,000	\$437,000
11	AL	St. Clair County Commission, St. Clair County Water System Improvements	\$224,000	\$218,000
12	AL	The Town of McIntosh for sewer upgrades and expansion project	\$300,000	\$291,000
58	FL	Brevard County, South Mainland Regional Water Treatment Plant Project	\$500,000	\$485,000
59	FL	The City of Coral Gables, Wastewater Infrastructure Improvements	\$500,000	\$485,000
60	FL	The City of Crescent City, Potable Water System Improvement Project	\$500,000	\$485,000
61	FL	The City of Gainesville for Depot Avenue stormwater and sewer improvements	\$300,000	\$291,000
62	FL	The City of Jacksonville Beach, Wastewater Treatment Plant Upgrade	\$500,000	\$485,000
63	FL	The City of Oakland Park, Garden Acres Sanitary Sewers (Part B)	\$500,000	\$485,000
64	FL	The City of Opa Locka, Wastewater Infrastructure Improvements	\$500,000	\$485,000
65	FL	The City of Orlando for stormwater improvements project	\$300,000	\$291,000
66	FL	The City of Treasure Island, Wastewater and Sewer System Upgrade	\$500,000	\$485,000
67	FL	Lee County, Wastewater Infrastructure	\$275,000	\$267,000
68	FL	Palm Beach County, Lake Region Water Treatment Plant	\$500,000	\$485,000
69	FL	Sarasota County, Phillippi Creek Septic System Replacement Program	\$500,000	\$485,000
70	FL	Southwest Florida Water Management District, Upper Peace River Restoration of the West-Cental Florida Water Restoration Action Plan	\$500,000	\$485,000
71	FL	St. Johns River Water Management District, Volusia County Integrated Water Resources	\$500,000	\$485,000
72	FL	Taylor County Water and Sewer District, Phase II of Taylor County Water and Sewer Upgrades	\$300,000	\$291,000
73	FL	The Town of Havana, Havana Water Main Loop	\$200,000	\$194,000
74	GA	Chattahoochee County, Water and Wastewater Infrastructure Improvements	\$250,000	\$243,000
75	GA	The City of Atlanta for sewer system rehabilitation project	\$300,000	\$291,000
76	GA	The City of Crawfordville, Taliaferro County Sewer Infrastructure	\$350,000	\$340,000
77	GA	The City of East Point, Flood Control and Environmental Infrastructure Project	\$500,000	\$485,000
113	KY	Breathitt County Water District, Breathitt County Waterline Expansion Project	\$500,000	\$485,000

114	KY	Caveland Environmental Authority for water storage tank construction project	\$1,200,000	\$1,164,000
115	KY	The City of Harrodsburg, Wastewater Treatment Plant Technology Replacement	\$1,300,000	\$1,261,000
116	KY	The City of Vanceburg for combined sewer renovations project	\$300,000	\$291,000
117	KY	The City of Warsaw, Wastewater Improvement Project	\$500,000	\$485,000
118	KY	Estill County for wastewater treatment plant extension project	\$1,350,000	\$1,310,000
156	MS	The City of Batesville for drinking water and wastewater infrastructure project	\$550,000	\$534,000
157	MS	The City of Brookhaven for sewer improvements project	\$260,000	\$253,000
158	MS	The City of Farmington for wastewater infrastructure project	\$260,000	\$253,000
159	MS	The City of Greenville for drinking water and wastewater rehabilitation project	\$260,000	\$253,000
160	MS	The City of Pascagoula for water and wastewater system improvements project	\$300,000	\$291,000
161	MS	The City of Pelahatchie for wastewater infrastructure project	\$260,000	\$253,000
162	MS	The City of Ridgeland for water and wastewater system improvements project	\$200,000	\$194,000
163	MS	The Town of Seminary for the drinking water rehabilitation project	\$200,000	\$194,000
164	MS	West Lowndes County for wastewater infrastructure project	\$260,000	\$253,000
165	MS	West Madison Utility District, Drinking Water Improvements	\$500,000	\$485,000
169	NC	Bladen County for regional surface water project	\$300,000	\$291,000
170	NC	The City of Durham, Water and Wastewater Infrastructure Improvements	\$500,000	\$485,000
171	NC	Montgomery County, Wadeville Tank Improvement Project	\$500,000	\$485,000
172	NC	The Town of Cary, Western Wake Regional Wastewater Management facility	\$500,000	\$485,000
242	SC	The City of Newberry, Wastewater Treatment Plant Upgrade & Expansion Project	\$500,000	\$485,000
243	SC	Oconee Joint Regional Sewer Authority construction project	\$500,000	\$485,000
244	SC	The Town of Ehrhardt, Water Infrastructure Improvements	\$500,000	\$485,000
249	TN	East Tennessee Development District, Anderson (\$275,000) and Union (\$225,000) Counties, Water and Wastewater Infrastructure Improvements	\$500,000	\$485,000
250	TN	The Town of Surgoinsville for sewer line extension project	\$500,000	\$485,000
251	TN	Unicoi County for well water treatment plant improvement project	\$1,100,000	\$1,067,000
252	TN	West Knox Utility District and Ball Camp Community for sewer service extension project	\$300,000	\$291,000

**\$25,999,000      \$25,227,000**

89	IL	The City of Chicago Heights, Water and Sewer Improvements	\$280,000	\$272,000
90	IL	The City of Lexington for wastewater treatment system improvements	\$300,000	\$291,000
91	IL	County of Peoria, Regional Storm Water Plan Implementation	\$500,000	\$485,000
92	IL	Long Creek Township for water storage improvements	\$300,000	\$291,000
93	IL	RE Rural Water System, RE Water Expansion, Richland County	\$350,000	\$340,000
94	IL	The Village of Barlett, Public Well Project	\$500,000	\$485,000
95	IL	The Village of Crestwood for water storage improvements	\$300,000	\$291,000
96	IL	The Village of Mt. Morris, Wastewater Treatment Plant	\$500,000	\$485,000
97	IL	The Village of South Holland, Water and Sewer Improvements	\$220,000	\$214,000
98	IN	The City of Anderson for a combined sewer outfall elimination project	\$300,000	\$291,000
99	IN	The City of North Vernon, Water Infrastructure Improvements	\$500,000	\$485,000
100	IN	The City of Rensselaer, Water and Wastewater Infrastructure Improvements	\$500,000	\$485,000
101	IN	Newton County Board of Commissioners, Newton County Water and Wastewater Infrastructure Improvements	\$750,000	\$728,000
102	IN	The Town of Fishers for wastewater infrastructure expansion project	\$300,000	\$291,000
103	IN	Warrick County Board of Commissioners, Stonehaven Sewer Project	\$500,000	\$485,000
141	MI	The City of Detroit, DEGC, East Riverfront Wastewater Infrastructure Improvements	\$500,000	\$485,000
142	MI	The City of Grand Rapids, East Side CSO Separation Improvements	\$500,000	\$485,000

Region 5	143	MI	The City of Mason, Water Treatment Plant	\$500,000	\$485,000
	144	MI	The City of Port Huron for a combined sewer overflow control project	\$300,000	\$291,000
	145	MI	Office of the Oakland County Drain Commissioner, Evergreen-Farmington Sanitary Sewer Improvements	\$500,000	\$485,000
	146	MI	Wayne County, Rouge River National Wet Weather Demonstration Project	\$500,000	\$485,000
	147	MN	The City of Minneapolis for combined sewer overflow improvements	\$300,000	\$291,000
	148	MN	The City of Willmar for wastewater treatment plant relocation project	\$300,000	\$291,000
	149	MN	Grand Rapids Public Utilities Commission, Grand Rapids Wastewater Treatment Plant	\$750,000	\$728,000
	209	OH	The City of Barberton, Wolf Creek Dam Intake Valve and Enclosure Replacement	\$400,000	\$388,000
	210	OH	The City of Defiance for a combined sewer overflow elimination project	\$300,000	\$291,000
	211	OH	Erie County, Wastewater Improvements	\$500,000	\$485,000
	212	OH	Metropolitan Sewer District of Greater Cincinnati, Eastern/Delta Sewer Separation Project	\$500,000	\$485,000
	213	OH	Northeast Ohio Regional Sewer District for a wastewater improvements project	\$300,000	\$291,000
	214	OH	The Community Improvement Corporation of Springfield and Clark County, Prime Ohio II Industrial Park	\$500,000	\$485,000
	215	OH	The Village of Cadiz, Wastewater Infrastructure Improvements	\$350,000	\$340,000
	299	OH	Ohio River Sanitation Commission for organic detection system improvements	\$1,000,000	\$970,000
	287	WI	The City of Madison drinking water system improvements	\$300,000	\$291,000
	288	WI	The City of Nekoosa, Wastewater Treatment Facility	\$1,225,000	\$1,189,000
	289	WI	The City of Waukesha for drinking water system improvements	\$300,000	\$291,000
	290	WI	Cumberland Municipal Utility, Water Infrastructure Improvements	\$500,000	\$485,000
	291	WI	Heart of the Valley Metropolitan Sewage District for wastewater system improvements	\$300,000	\$291,000
Region 6	292	WI	Metropolitan Milwaukee Sewer District for central sewer system improvements	\$300,000	\$291,000
	293	WI	The Village of Biron, Water and Sanitary Sewer Infrastructure	\$1,225,000	\$1,189,000
				<b>\$18,250,000</b>	<b>\$17,707,000</b>
	13	AR	The City of Fayetteville wastewater system improvements	\$300,000	\$291,000
	14	AR	The City of Heber Springs, West End Sewer Project	\$335,000	\$325,000
	15	AR	The City of Warren, Water and Sewer Extension along Northeast Bypass	\$330,000	\$321,000
	16	AR	Ozark Mountain Regional Public Water Authority in Marshall for drinking water system improvements	\$300,000	\$291,000
	119	LA	The City of East Baton Rouge for sewer system improvements	\$300,000	\$291,000
	120	LA	The City of Houma for construction of water distribution system	\$300,000	\$291,000
	121	LA	The City of Leesville for a sewer system expansion project	\$400,000	\$388,000
	122	LA	The City of Monroe, Monroe Wastewater Treatment System	\$500,000	\$485,000
	123	LA	The Town of Golden Meadow for storm water system improvements	\$400,000	\$388,000
	190	NM	Bernalillo County for the Valley Utilities wastewater project	\$1,100,000	\$1,067,000
	191	NM	The City of Aztec for wastewater treatment plant improvements project	\$500,000	\$485,000
	192	NM	The City of Bloomfield for water system improvements	\$300,000	\$291,000
	193	NM	The City of Espanola, Drinking Water Improvements	\$700,000	\$679,000
	216	OK	Ada Public Works Authority, Wastewater Lift Station	\$500,000	\$485,000
	217	OK	The City of McAlester for water treatment plant rehabilitation project	\$300,000	\$291,000
	253	TX	The City of Alvarado, Sanitary Sewer Improvements	\$250,000	\$243,000
	254	TX	The City of Austin for sewer rehabilitation project	\$300,000	\$291,000
	255	TX	The City of Bryan, West Bryan Wastewater Treatment Plant	\$500,000	\$485,000
	256	TX	The City of Cotulla, Cotulla Wastewater Infrastructure System Repairs	\$500,000	\$485,000
	257	TX	The City of Goliad, Wastewater Treatment Facility Improvements	\$200,000	\$194,000
	258	TX	The City of Hondo, Sanitary Sewer Overflow Initiative	\$253,000	\$246,000

Region 7	259	TX	The City of Lubbock for water pipeline project	\$200,000	\$194,000
	260	TX	The City of Temple, Industrial Park Wastewater Line and Interceptor	\$500,000	\$485,000
	261	TX	East Aldine Management District, District Water and Sanitary Sewer Initiative	\$500,000	\$486,000
	262	TX	Lacy Lakeview, Sewer Collection/Lift Station	\$500,000	\$485,000
	263	TX	Lufkin, TX for water infrastructure and treatment capacity development project	\$450,000	\$437,000
	264	TX	Nacogdoches, TX for Lanana Creek Flood Mitigation project	\$1,000,000	\$970,000
	265	TX	San Antonio Water System, Water and Wastewater Infrastructure Improvements	\$500,000	\$485,000
		TX	El Paso Set-Aside from US-Mexico Border Program	\$2,000,000	\$2,000,000
		TX	Brownsville Set-Aside from US-Mexico Border Program	\$500,000	\$500,000
				<b>\$14,718,000</b>	<b>\$14,355,000</b>
