CONSENT AGREEMENT AND FINAL ORDER

1. This Consent Agreement and Final Order ("CAFO") is entered into by the Director, Water Protection Division, United States Environmental Protection Agency, Region III ("Complainant") and the District of Columbia Water and Sewer Authority ("DCWASA" or "Respondent") pursuant to Section 1414(g)(3)(B) of the Safe Drinking Water Act ("SDWA" or "Act"), 42 U.S.C. § 300g-3(g)(3)(B), and the *Consolidated Rules of Practice Governing the Administrative Assessment of Civil Penalties, Issuance of Compliance or Corrective Action Orders, and the Revocation, Termination or Suspension of Permits ("Consolidated Rules")*, 40 C.F.R. Part 22. The Administrator has delegated the authority to take this action to the Regional Administrator for Region III, who in turn has delegated the authority to the Water Protection Division Director of Region III.

2. This administrative proceeding for the assessment of civil penalties was initiated pursuant to Section 1414(g)(3)(B) of the SDWA, 42 U.S.C. § 300g-3(g)(3)(B) by issuance of a

First Amended Complaint ("First Amended Complaint"). A Second Amended Complaint is being filed simultaneously with this CAFO pursuant to consent of the parties. The Second Amended Complaint alleges that DCWASA has violated certain terms and conditions of the Administrative Order for Compliance on Consent, Docket No. SDWA-03-2004-0259DS, entered June 17, 2004 ("June 17, 2004 AO"). The June 17, 2004 AO directed Respondent to correct violations of Section 1411 of the SDWA, 42 U.S.C. § 300g, specifically, violations of the Lead and Copper Rule, a national primary drinking water regulation, 40 C.F.R. §§ 141.80-91.

3. The Second Amended Complaint is incorporated by reference herein.

4. The parties agree that settlement of this matter without further litigation is in the public interest and that entry of a CAFO is the most appropriate means of resolving this matter.

5. Respondent waives any defenses it might have as to jurisdiction and venue.

Respondent agrees not to contest the U.S. Environmental Protection Agency Region III's ("EPA") jurisdiction to issue the Second Amended Complaint and this CAFO and to enforce the terms of this CAFO.

6. Each party to this action shall pay its own costs and attorney fees.

7. The provisions of this CAFO shall be binding upon the Complainant and the Respondent, its principals, officers, directors, successors and assigns.

8. Nothing in this CAFO shall be construed to create any rights in, or grant any cause of action to, any person not party to this CAFO.

II. FINDINGS OF FACT

9. EPA adopts and Respondent neither admits nor denies the allegations contained in Paragraphs 3 through 37 of the Second Amended Complaint as the Findings of Fact herein, nor

does Respondent concede any liability thereunder, but in the interests of resolving this matter without further proceedings, agrees to enter into this CAFO.

III. CONCLUSIONS OF LAW

10. Based on the Findings of Fact, EPA concludes that Respondent has violated the June 17, 2004 AO, which order directed Respondent to correct violations of Section 1411 of the SDWA, 42 U.S.C. § 300g, specifically, violations of the Lead and Copper Rule, a national primary drinking water regulation, 40 C.F.R. §§ 141.80-91 and is therefore liable to the United States for a civil penalty in accordance with Sections 1414(a)(2) and 1414(g) of the SDWA, 42 U.S.C. §§ 300g-3(a) & (g). Respondent neither admits nor denies these Conclusions of Law, nor does Respondent concede any liability thereunder, but in the interests of resolving this matter without further proceedings, agrees to enter into this CAFO.

IV. CONSENT AGREEMENT AND ORDER

11. Based on the foregoing and having taken into account the seriousness of the violations, the population at risk, and other appropriate factors consistent with Section 1414(b), 42 U.S.C. § 300g-3(b), EPA hereby ORDERS and Respondent hereby CONSENTS, that:

Respondent's violations of this CAFO or of the statutes and regulations upon which this CAFO is based or for Respondent's violation of any applicable provision of law.

16. EPA shall have the right to institute a new and separate action to recover additional civil penalties if EPA obtains evidence that the information and/or representations of Respondent made in connection with this settlement are false, or, in any material respect, inaccurate. In the event that this CAFO, or one or more of its terms and conditions, is held invalid, or is not executed by all of the signatories in identical form, or is not approved in such identical form by the Regional Administrator or his designee, then the entire CAFO shall be null and void.

20. This CAFO shall become final and effective upon filing with the Regional Hearing Clerk.
