

Colorado WPDG Awards

- **Chaffee County, Colorado** - Survey of Critical Wetlands and Riparian, 2007
- **Colorado Division of Wildlife** - Developing Statewide Strategies to Improve Effectiveness in Protecting and Restoring Colorado's Wetland Resource, 2007
- **Colorado State University** - Development of a Regional Restoration and Protection Program for Mountain Fens, 2007
- **Colorado Natural Heritage Program, Colorado State University** – Field Testing, Validation, and Mitigation Performance Standards of the Subalpine-Montane Riparian Shrublands, Ecological Integrity Scorecard in the Blue River Watershed, 2006
- **Colorado Natural Heritage Program, Colorado State University** – Survey of Critical Wetlands in Boulder County, Colorado, 2006
- **Colorado Natural Heritage Program, Colorado State University** – Survey of Critical Wetlands in Rio Blanco County, Colorado, 2006
- **Rocky Mountain Bird Observatory and Colorado Division of Wildlife** – Floristic Quality and Wildlife Habitat Assessment of Playas in Eastern Colorado, 2006
- **City of Fort Lupton & Colorado Division of Wildlife** – Effects of Aggregate Mining on Ground-water Flow and Wetlands, 2005
- **Colorado Natural Heritage Program, Colorado State University** – Survey of Critical Wetlands in Hinsdale County, Colorado, 2005
- **Colorado Natural Heritage Program, Colorado State University** – Vegetation IBI for Wetlands in Colorado: Phase 3, 2005
- **Mountain Studies Institute & Colorado Division of Wildlife** – Regional Assessment of Fen Distribution, Condition, and Restoration Needs, San Juan Mountains, 2005
- **Rocky Mountain Bird Observatory & Colorado Division of Wildlife** – Survey and Assessment of Playas in Eastern Colorado – Phase II, 2005
- **City of Boulder, Colorado** – Evaluating the Ecological Success of Wetland Mitigation Projects in Boulder, Colorado, 2004
- **Colorado Department of Agriculture** – Riparian Communities Before and After Tamarisk Removal, 2004
- **Colorado Natural Heritage Program, Colorado State University** – Survey of Critical Wetlands in Grand County, Colorado, 2004
- **Colorado Natural Heritage Program, Colorado State University** – Vegetation IBI for Wetlands in Colorado: Phase 2, 2004
- **Colorado Natural Heritage Program, Colorado State University** – A Floristic Bioassessment Tool for Colorado Wetlands, 2004
- **Mountain Studies Institute & Colorado Division of Wildlife** – Fen monitoring, assessment, and protection, San Juan Mountains, 2004
- **Mountain Studies Institute & Colorado Division of Wildlife** – New Tools for Evaluating Alpine Sensitivity & Water Quality in the Upper Animas Watershed – Year 2, 2004
- **Rocky Mountain Bird Observatory & Colorado Division of Wildlife** – Survey and Assessment of Playa Wetlands in Eastern Colorado, 2004
- **Town of Rico, Colorado** – Town of Rico Upper Dolores Watershed Protection Project, 2004
- **City of Boulder, Colorado** – City of Boulder Wetlands Regulatory Map Update, 2003
- **Colorado Natural Heritage Program, Colorado State University** – Development of a Vegetation Index of Biotic Integrity for Depressional, Riverine, and Slope Wetlands in the Southern Rocky Mountain Ecoregion, Colorado: Phase 1, 2003
- **Colorado Natural Heritage Program, Colorado State University** – Survey and Assessment of Critical Wetlands in Dolores County, Colorado, 2003
- **Colorado Natural Heritage Program, Colorado State University** – Survey and Assessment of Critical Wetlands in Fremont County, Colorado, 2003
- **Colorado Open Lands & Colorado Division of Wildlife** – Plan for Wetland and Water Resource Protection in South Park, 2003
- **Colorado State University** – Reference Conditions in Rocky Mountain Wetlands: Developing

- Benchmarks and Goals to Enhance the Effectiveness of Compensatory Mitigation, 2003
- **Colorado Wildlife Heritage Foundation & Colorado Division of Wildlife** – Planning for the Protection of Wetlands, 2003
- **Rocky Mountain Bird Observatory & Colorado Division of Wildlife** – Developing Statewide Monitoring and Assessment Tools and Strategies: Evaluation of Wetland Conservation Sites in Colorado: Phase II, 2003
- **Colorado Natural Heritage Program, Colorado State University** – Survey and Assessment of Critical Wetlands in La Plata County, Colorado, 2002
- **Colorado Natural Heritage Program, Colorado State University** – Survey and Assessment of Wetlands in Southern Alamosa and Costilla Counties in the San Luis Valley, 2002
- **Douglas County, Colorado** – West Plum Creek Wetlands Assessment Project, 2002
- **El Paso County, Colorado** – Development of a Wetlands Inventory Database and Wetland Protection and Management Plan, 2002
- **Fort Lewis College & Colorado Division of Wildlife** – Strategic Plan for the Protection of Wetlands and Water Resource Protection in Southwest Colorado – San Juan Basin and Surrounding Watershed, 2002
- **Rocky Mountain Bird Observatory & Colorado Division of Wildlife** – Developing Statewide Monitoring and Assessment Tools and Strategies for Evaluation of Wetland Conservation Sites in Colorado, 2002
- **Town of Breckenridge, Colorado** – Cucumber Gulch Monitoring Project, 2002
- **Centennial Land Trust & Colorado Division of Wildlife** – Strategic Plan for Wetlands and Water Resource Protection in the South Platte River Drainage, 2001
- **City of Fountain, Colorado, Colorado Open Lands, & Colorado Division of Wildlife** – Jimmy Camp – Fountain Creek Stream Corridor Protection Project, 2001
- **Colorado Natural Heritage Program, Colorado State University** – Comprehensive Statewide Wetland Classification and Characterization, 2001
- **Colorado Natural Heritage Program, Colorado State University** – Natural Heritage Inventory and Assessment of Wetlands in Gunnison County, 2001
- **Ducks Unlimited & Colorado Division of Wildlife** – Strategic Plan for Wetlands and Water Resource Protection in the North Park Wetlands Focus Area, 2001
- **Rio Grande Headwaters Land Trust & Colorado Division of Wildlife** – Wetlands and Water Resource Protection in Colorado's Rio Grande Basin, 2001
- **Summit County Planning Department, Colorado** – Phase II: Pilot Project to Enhance the Management of Wetlands In Summit County, 2001
- **Town of Fredrick, Colorado** – Town of Fredrick Wetlands Mapping Project, 2001
- **City of Boulder, Colorado** – Sombrero Marsh Restoration and Education Project, 2000
- **City of Longmont, Colorado** – City of Longmont Saint Vrain Creek Riparian Protection Program, 2000
- **Colorado Natural Areas Program & Colorado Division of Wildlife** – Identification, Evaluation and Conservation of Wetlands of Statewide Significance in Colorado, 2000
- **Colorado Natural Heritage Program, Colorado State University** – Comprehensive Statewide Wetlands Characterization and Classification, 2000
- **Colorado Natural Heritage Program, Colorado State University** – Natural Heritage Inventory and Assessment of Wetlands in Garfield County, 2000
- **Colorado Natural Heritage Program, Colorado State University** – Natural Heritage Inventory and Assessment of Wetlands in Pueblo and El Paso Counties, 2000
- **Delta Soil Conservation District, Colorado** – Lower Gunnison River Basin Conservation Lands Inventory, 2000
- **Summit County, Colorado** – Pilot Project to Enhance the Management of Wetlands in Summit County, 2000
- **The Nature Conservancy & Colorado Division of Wildlife** – Water Protection Planning for South Park Fens, San Luis Valley Wetlands, San Miguel and Arickaree River Riparian Forests, 2000

- **Town of Breckenridge, Colorado** – Hydrology/Geomorphology of Wetlands: A Wetlands Protection Planning Tool, 2000
- **Trust for Public Land & Colorado Division of Wildlife** – Landowner Outreach Program for the Colorado Wetlands Initiative Budget, 2000

Montana WPDG Awards

- **Montana Department of Environmental Quality** - Montana Wetland Program Development, 2007
- **Montana Natural Heritage Program, University of Montana** - A Reference Network for Assessment and Monitoring of Montana's Herbaceous Wetlands, 2007
- **Montana Natural Heritage Program, University of Montana** - Incorporating a Level 1 Functional Assessment into Regional Planning, Wetland Conservation, and Public Education, 2007
- **Ruby Valley Conservation District, Montana** - Ruby River Corridor Protection Plan, 2007
- **Bitter Root Water Forum, Inc. and Montana Department of Environmental Quality** - Implementation of Wetland Protection in Ravalli County, 2006
- **Flathead Lakers & Montana Department of Environmental Quality** - Critical Lands Project, 2006
- **Montana Audubon & Montana Department of Environmental Quality** - Planning for Wetlands: Educational Workshops and Local Government Assistance on Methods to Protect Wetlands and Riparian Areas in Land Use Decisions, 2006
- **Montana Natural Heritage Program & Montana Department of Environmental Quality** - Mapping and Analysis of Geographically Isolated Wetlands, 2006
- **Montana Natural Heritage Program & Montana Department of Environmental Quality** - Development of GIS Level I Assessment Tool, 2006
- **Montana Watercourse & Montana Department of Environmental Quality** - Wetland Stewardship Education in Montana, 2006
- **Montana Department of Environmental Quality** - Montana Wetland Leadership and Conservation Planning, 2005
- **Montana Natural Heritage Program & Montana Department of Environmental Quality** - Wetland Monitoring and Assessment in Montana: Amphibians, Reptiles, 2005
- **Montana Department of Environmental Quality** - Montana Wetland Leadership and Wetland Conservation Planning, 2004
- **Montana Natural Heritage Program & Montana Department of Environmental Quality** - Wetland Enhancement through Biological Metrics and Classification Enhancement, 2004
- **Montana State Library & Montana Department of Environmental Quality** - Montana Imagery Acquisition for Use in Wetland Mapping, 2004
- **Montana Watercourse & Montana Department of Environmental Quality** - Montana Wetland Outreach and Education, 2004
- **Ravalli County, Montana & Montana Department of Environmental Quality** - Protecting Critical Water Resources in the Bitterroot Valley, 2004
- **Montana Department of Environmental Quality** - Furthering the Development of a Wetland Monitoring and Assessment Program, 2003
- **Montana Natural Heritage Program & Montana Department of Environmental Quality** - Developing a Wetland Monitoring and Assessment Program: Vegetation Metrics for Riverine Wetlands in the Red Rock Watershed, 2003
- **Montana State University & Montana Department of Environmental Quality** - Enhancing Stewardship for Montana's Wetlands, 2003
- **University of Montana & Montana Department of Environmental Quality** - Assessing the Biological Integrity of Wetlands in Montana Using Bird Communities, 2003
- **Watershed Education Network & Montana Department of Environmental Quality** - Wetland Teacher Education Program and Stewardship in the Clark Fork Watershed, 2003
- **Flathead Lakers & Montana Department of Environmental Quality** - Critical Lands Project: Building Cooperation and Support to Protect Critical Lands in the Flathead Watershed, 2002
- **Montana Cooperative Wildlife Research Unit, University of Montana & Montana Department of Environmental Quality** - Developing a Wetland Monitoring and Assessment Program, 2002
- **Montana Department of Environmental Quality** - Developing a Wetland Monitoring and

Assessment Program, 2002

- **Montana Natural Heritage Program & Montana Department of Environmental Quality** – Developing a Wetland Monitoring and Assessment Program, 2002
- **University of Montana & Montana Department of Environmental Quality** – Developing a Wetland Monitoring and Assessment Program, 2002
- **Bitter Root Water Forum & Montana Department of Environmental Quality** – Creating a Citizen-based Program for the Inventory of Bitterroot Valley Wetlands and Riparian Corridors, 2001
- **Gallatin Water Quality District, Montana** – Wetland Resource Assessment of the Gallatin Valley and Bozeman Creek Watershed, Gallatin County, 2001
- **Montana Department of Environmental Quality** – Coordinate and Expand Wetland Protection in Montana, 2001
- **Montana Natural Heritage Program & Montana Department of Environmental Quality** – Inventory and Prioritization of Ecologically Significant and Highly Restorable Wetlands and Riparian Areas in the Missouri Headwaters, 2001
- **Montana Natural History Center & Montana Department of Environmental Quality** – Missoula Valley Wetland Stewardship and Restoration Program, 2001
- **Montana Watercourse** & Montana Department of Environmental Quality – Outreach Education for Wetlands Protection in Montana, 2001
- **Rocky Mountain Watersheds Volunteer Monitoring Network & Montana Department of Environmental Quality** – Strengthening Citizen Stewardship of Rocky Mountain Priority Watersheds – Volunteer Monitoring, 2001
- **Flathead Basin Commission, Montana** – Flathead Basin Volunteer Monitoring, 2000
- **Flathead Lake Biological Station, University of Montana** – Training of HGM Functional Assessment of Wetlands to Federal, State, and Tribal Wetland Managers and Scientists, 2000
- **Lewis and Clark County Water Quality Protection District, Montana** – A Wetlands Community Partnership Project, Phase II, 2000
- **Montana Department of Environmental Quality** – Wetland Conservation in Montana, 2000
- **Montana Natural Heritage Program & Montana Department of Environmental Quality** – Inventory and Prioritization of Ecologically Significant Wetlands and Riparian Areas in Montana for Conservation, Mitigation and Restoration, 2000
- **Montana Watercourse & Montana Department of Environmental Quality** – Facilitating Landowner and Local Government Stewardship of Montana's Wetlands, 2000
- **Montana Wetlands Trust** – A Key to Wetland Plant Genera, 2000

North Dakota WPDG Awards

- **North Dakota Department of Health** - Estimating Wetland Quality for the Missouri Coteau, North Dakota (Phase III), 2007
- **North Dakota State University and North Dakota Department of Health** – Estimating Wetland Quality for the Missouri Coteau, North Dakota (Phase II), 2006
- **University of North Dakota and North Dakota Department of Health** – Remote Wetland Landscape Profiles for Agricultural Wetland Assessment and Monitoring, 2006
- **International Water Institute and North Dakota Department of Health** – Building Capacity: the Region 8 Bioassessment Workgroup, 2006
- **North Dakota State University & North Dakota Department of Health** – Assessment of Plant Communities Located on Restored Prairie, 2005
- **North Dakota State University & North Dakota Department of Health** – Estimating Wetland Quality for the Missouri Coteau, North Dakota, 2005
- **North Dakota State University & North Dakota Department of Health** – Development of a Regional Scale Method to Predict Wetland Condition for the Prairie Pothole Region (Phase II), 2004
- **University of North Dakota & North Dakota Department of Health** – Remote, Landscape-Scale Assessment Using Wetland Ecosystem Integrity Models SPOT and Landsat Data for the North Dakota Missouri Coteau, 2004
- **North Dakota Department of Health** – Assessment of Methyl-Mercury Contamination in Depressional Wetlands Located in the Lostwood National Wildlife Refuge and Wilderness Area, 2003
- **North Dakota State University & North Dakota Department of Health** – Development of a Regional Scale Method to Predict Wetland Condition for the Prairie Pothole Region, 2003
- **North Dakota State University & North Dakota Department of Health** – Evaluating and Validating the Index of Plant Community Integrity for the Assessment of Temporary, Seasonal, and Semi-Permanent Wetlands in the Prairie Pothole Region, 2003
- **North Dakota Department of Health** – The Development of a Region 8 Bioassessment Workgroup in Support of State Wetland Monitoring and Assessment Programs, 2002
- **University of North Dakota & North Dakota Department of Health** – Assessing Wetland Quality with Satellite and Aerial Remote Sensing, 2002
- **North Dakota Department of Health** – Index of Biological Integrity Development and Assessment of Semi-permanent Wetlands in the Missouri Coteau Region of North Dakota, 2001
- **North Dakota State Water Commission** – Wetland Delineation Comparison Using NRCS Soils Data, 2001
- **North Dakota Water Education Foundation & North Dakota Wetlands Institute** – North Dakota Wetlands Education and Information Program, 2001
- **North Dakota Wetlands Trust** – “Conservation Agriculture” A Farm Demonstration Project, 2001
- **North Dakota State Water Commission** – Comparison of NRI and NWI Federal Wetland Maps, 2000
- **North Dakota Water Education Foundation & North Dakota Wetlands Institute** – North Dakota Wetlands Management Handbook, 2000
- **North Dakota Wetlands Trust** – Demonstration of Conservation Agriculture for Preserving Wetlands, 2000

South Dakota WPDG Awards

- **South Dakota Natural Heritage Program & South Dakota State University** – Development of a Wetland Rapid Assessment Protocol for South Dakota, 2005
- **City of Watertown, South Dakota** – Terry Redlin Freshwater Institute Wetland Education Program, 2004
- **South Dakota Department of Agriculture** – Big Sioux Wetlands Enhancement Demonstration, 2002

Utah WPDG Awards

- **Utah Department of Environmental Quality** - Completion of Site-Specific Nutrient Standards for Farmington Bay Wetlands, the Great Salt Lake Basin Wetlands Reference Network, and Phase I Wetlands Mercury Assessment, 2007
- **Utah Department of Natural Resources** – Technical Assistance and Outreach for Refining the Reference Network and Rapid Assessment Methods for Utah's Wetlands, 2006
- **Utah Geological Survey** – Groundwater Modeling to Assess Effects on Wetlands, Salt Lake Valley, 2006
- **Utah Department of Environmental Quality** – A Reference-Based Rapid Assessment Method for Utah Wetlands, 2005
- **Utah Department of Environmental Quality** – A Wetland Reference Network for the Great Salt Lake Area/Great Basin Ecoregion, 2005
- **Utah Department of Natural Resources** – Utah Wetland Technical Outreach Project, 2005
- **Utah Geological Survey** – Ground-water Modeling to Assess Effects on Wetlands in Farmington Bay from Increased Ground-water withdrawals Associated with New Residential Development in Davis County, Utah, 2005
- **Utah Department of Natural Resources** – Educational Program for Professionals in Wetland Law, Wetland Classification and Wetland Functioning and Conservation, 2004
- **Utah Department of Environmental Quality** – Salinity, Selenium and Nutrients in Farmington Bay and Associated Wetlands, 2004
- **Utah Department of Environmental Quality** – Developing Beneficial Use Assessment Techniques for Farmington Bay Wetlands, Great Salt Lake, Utah, 2003
- **Utah Department of Natural Resources** – Expanded Development of Methods and Standards for the Biological Condition of Utah Depressional Wetlands, 2003
- **Utah Department of Natural Resources** - Partnering for Direct Use of Citizen-Gathered Data, 2003
- **Utah Geological Survey** – Ground-water Modeling to Assess the Potential Hydrologic Effects on Wetlands of Increased Ground-water Withdrawals Associated with New Residential Development in Tooele Valley, Tooele County, Utah, 2003
- **Box Elder County, Utah** – Development of a Special Area Management Plan for Box Elder County, Utah, 2002
- **Box Elder County, Utah** – Production of a Wetland Newsletter for the Box Elder County, Utah SAMP, 2002
- **Utah Department of Natural Resources** – Citizen Monitoring Shadow Study, 2002
- **Utah Department of Natural Resources** – Development of Methods and Standards for Bioassessment of Slope and Depressional Reference Standard Wetlands in the Greater Great Salt Lake Ecosystem, 2002
- **Utah Department of Natural Resources** – Hydrogeomorphic Monitoring of Lower Montane/Subalpine Reference Wetlands in the Brighton Sub-basin of the Wasatch Rocky Mountain Region, Salt Lake County, Utah, 2002
- **Salt Lake County, Utah** – Big Cottonwood Watershed Wetland and Creek Stewardship, 2001
- **Utah Department of Natural Resources** – Development of Interagency Guidance for Compensatory Mitigation in Utah, 2001
- **Utah Department of Natural Resources** – Functional Assessment of Great Salt Lake Ecosystem Depressional Wetlands, 2001
- **Utah Department of Natural Resources** – Wetland Partners: Moving Forward, 2001
- **Utah Department of Natural Resources** – Development of a Wetlands Permitting and Conservation Tracking System, 2000
- **Utah Department of Natural Resources** – Development of a HGM Functional Assessment Model for the Wet Meadow Subclass of Great Salt Lake Slope Wetlands, 2000
- **Utah Department of Natural Resources** – GIS Analysis of Aquatic Resources in Salt Lake and Wasatch Counties, 2000
- **Utah Department of Natural Resources** – National Wetlands Month Activities, 2000

Wyoming WPDG Awards

- **Wyoming Natural Diversity Database, University of Wyoming** – Shoshone Peatlands Inventory, Wyoming, 2004
- **Wyoming Game and Fish Department** – Survey of Herpefauna in the Powder River, Wyoming, 2004
- **Wyoming Game and Fish** – Wetland Habitat Improvement at Created Wetlands in Wyoming, 2000

Tribal WPDG Awards

- **Blackfeet Tribe** – Wetland Monitoring in the Milk River Watershed on the Blackfeet Indian Reservation, 2006
- **Blackfeet Tribe** – Blackfeet Tribal Environmental Wetlands Conservation Strategy and Assessment Project FY2006, 2005
- **Blackfeet Tribe** – Improving Wetlands Mitigation on the Blackfeet Indian Reservation, 2004
- **Blackfeet Tribe** – Environmental Review Criteria and Compensatory Mitigation Standards Development for Wetlands on the Blackfeet Indian Reservation, 2003
- **Blackfeet Tribe** – Wetlands Regulatory Review, 2001
- **Blackfeet Tribe** – Blackfeet Wetlands Data Analysis, 2000

- **Chippewa Cree Tribe** - Chippewa Cree Wetlands Program Development Grant 2007, 2007
- **Chippewa Cree Tribe** – Upper Big Sandy Project, 2006
- **Chippewa Cree Tribe** – Chippewa Cree Wetland Protection Project, 2005
- **Chippewa Cree Tribe** – Applying Wetlands Protection Information – NWI and Functional Assessment, 2004
- **Chippewa Cree Tribe** – Tribal Wetlands Development and Enhancement Grant, 2001
- **Chippewa Cree Tribe** – Wetlands Strategic Plan, 2000

- **Confederated Salish & Kootenai Tribes** - CSKT Wetlands Program Development, and Watershed-based Monitoring and Assessment of Reservation Wetlands, 2007
- **Confederated Salish & Kootenai Tribes** – Confederated Salish and Kootenai Tribes Wetlands Program Development and Watershed-based Monitoring and Assessment of Reservation Wetlands, 2006
- **Confederated Salish & Kootenai Tribes** – Monitoring and Assessment of the Crow Watershed, 2005
- **Confederated Salish & Kootenai Tribes** – Monitoring and Assessment of the Little Bitterroot Watershed, 2004
- **Confederated Salish & Kootenai Tribes** – Confederated Salish and Kootenai Tribes Wetlands Program Development, 2001
- **Confederated Salish & Kootenai Tribes** – Wetland Program Development, 2000

- **Fort Belknap Indian Community** – Fort Belknap Indian Community's Wetlands Management Program, 2006
- **Fort Belknap Indian Community** – Fort Belknap Wetlands Management Program, 2005
- **Fort Belknap Indian Community** – Fort Belknap Wetlands Management Program, 2004
- **Fort Belknap Indian Community** – Fort Belknap Wetlands Management Program, 2001
- **Fort Belknap Indian Community** – The Peoples Watershed Reference Site Determination, 2000

- **Fort Peck Assiniboine & Sioux Tribes** – Developing a Vegetation Index to Assess Environmental Conditions of Wetlands, 2004
- **Fort Peck Assiniboine & Sioux Tribes** – Review Current Water Quality Standards Program, 2003
- **Fort Peck Assiniboine & Sioux Tribes** – Initiate Section 404 Program Development, 2001
- **Fort Peck Assiniboine & Sioux Tribes** – Reference Sites, Biological Assessments, and Reference Plant Collection, 2000

- **Northern Cheyenne Tribe** – Comprehensive Wetland Monitoring and Assessment Program, 2006
- **Northern Cheyenne Tribe** – Comprehensive Monitoring and Assessment Program, 2005
- **Northern Cheyenne Tribe** – Comprehensive Monitoring and Assessment Program, 2004
- **Northern Cheyenne Tribe** – Wetlands Conservation Program, 2001
- **Northern Cheyenne Tribe** – Wetlands Conservation Plan, 2000

- **Southern Ute Indian Tribe** – Monitoring and Water Quality Standards Development for Wetlands Protection, 2006
- **Southern Ute Tribe** – Wetland Assessments to Support Water Quality Standards Development for Wetlands Protection on the Southern Ute Indian Reservation, 2003
- **Spirit Lake Nation** – Wetlands Inventory, Assessment, and Monitoring, 2002
- **Spirit Lake Nation** – Development of a Basic Wetlands Protection Program, 2000
- **Wind River Shoshone & Arapahoe Tribes** – Part II: Classification and Inventory of Montane Surface Waters of the Wind River Reservation, including Streams, Lakes and Wetlands, 2003
- **Wind River Shoshone & Arapahoe Tribes** – Assessment of Wetlands in the Upper Mainstem Wind River Watershed, 2000
