

## USEFUL WEBSITES FOR BUILDING YOUR WATER QUALITY PROGRAM

EPA offers online resources to federally recognized tribes that can help tribes construct a successful water quality program.

Website	Description
<a href="http://www.epa.gov/region09/tribal/index.html">http://www.epa.gov/region09/tribal/index.html</a>	Information about EPA Region 9 Tribal Program.
<a href="http://www.epa.gov/region09/water/tribal/">http://www.epa.gov/region09/water/tribal/</a>	R9 EPA tribal water protection programs and the primary contacts for each program.
<a href="http://epa.gov/region09/water/tribal/tribal-cwa.html">http://epa.gov/region09/water/tribal/tribal-cwa.html</a>	The Region 9 Water Division Tribal Office website. This website contains links that can provide you information about available CWA (Clean Water Act) programs.
<a href="http://epa.gov/region09/water/tribal/cwa-reporting.html">http://epa.gov/region09/water/tribal/cwa-reporting.html</a>	To learn more about CWA 106 reporting requirements and to check out available Region 9 tools.
<a href="http://www.epa.gov/storet">www.epa.gov/storet</a> <a href="http://www.epa.gov/storet/wqx/index.html">http://www.epa.gov/storet/wqx/index.html</a>	The main STORET website and WQX website.
<a href="http://www.epa.gov/storet/wqx/wqxweb.html">http://www.epa.gov/storet/wqx/wqxweb.html</a>	Set up your WQX online account at this web address.
<a href="http://www.epa.gov/storet/owners.html">http://www.epa.gov/storet/owners.html</a>	If you need assistance with EPA's STORET/WQX, this website has contact information available.
<a href="http://www.epa.gov/water/tribaltraining/">www.epa.gov/water/tribaltraining/</a>	To obtain specific training related to the CWA, EPA contains many useful online training courses and webinars.
