The image shows a mobile application interface on a smartphone. At the top, the status bar displays 'Sprint', signal strength, Wi-Fi, time '10:22 AM', and battery '36%'. The app has a dark theme. A text input field for 'Wicked Headwinds!' is at the top. Below it is a 'Longitude:' label followed by a text input field containing '-73.92784852211332'. Further down is a 'Latitude:' label followed by a text input field containing '40.84426111623038'. A modal dialog box is centered on the screen with a dark blue background and rounded corners. It contains the text 'index.html' in white, followed by 'Congratulations! Your View is Now a Riverview!' in white, and an 'OK' button at the bottom. Below the modal, there are three large, rounded blue buttons with white text: 'Save', 'Upload Your Riverview', and 'Delete'.
