

UNITED STATES ENVIRONMENTAL PROTECTION AGENCY
REGION IX
75 Hawthorne Street
San Francisco, CA 94105-3901

November 6, 2006

**RE: City of Los Angeles Class V Experimental Underground Injection Control
Permit # CA5060001**

Dear Commenter:

This is to inform you that the subject permit was issued by the United States Environmental Protection Agency, Region IX (EPA) for a period of five (5) years beginning November 6, 2006. The permit, which is enclosed, shall become effective forty (40) days after the date of permit issuance. Prior to the effective date of the permit, any person who filed comments on the draft permit may petition the Environmental Appeals Board to review any condition of the permit decision. You can review the procedural requirements of the UIC permit appeal process at 40 C.F.R. Section 124.19. For your information, 40 C.F.R. Part 124 can be accessed online at:
http://www.access.gpo.gov/nara/cfr/waisidx_05/40cfr124_05.html

The comment period for the subject permit closed on July 19, 2006. EPA's Ground Water Office received 15 comments on the draft permit during the public comment period. One minor change to the draft permit was made as a result of the submitted comments. A Response to Comments has been prepared and is enclosed with this letter. The Response to Comments, as well as the final permit, can also be viewed online at:
<http://www.epa.gov/region9/water/groundwater/uic-permits.html>

Please call George Robin at (415) 972-3532 if you have any questions regarding this letter.

Sincerely,

A handwritten signature in black ink, appearing to read "D Albright", is written over the typed name.

David Albright
Manager, Ground Water Office
