

Rulemaking Gateway Flagship Update

FY2011 – 1st Quarter

Description of Flagship Project

- The Rulemaking Gateway falls under the “Expanding Public Awareness and Involvement in the Development of Rules and Regulations” Flagship Theme
- The Gateway gives the public continual updates about priority regulations that are under development and posts information earlier in the rulemaking process than previously provided
- To better help stakeholders understand which rules are likely to relate to them, the Gateway contains set filters/topics including children’s health, environmental justice, state and local governments, and tribal governments
- For additional information, go to: <http://www.epa.gov/rulemaking/>
