<u>Public Notices:</u>

When EPA makes a public notice, activities include:

- ‣ mail-out of the public notice to EPA's mailing list
- ‣ placement of the public notice in the Parker Pioneer newspaper

<u>Fact Sheets:</u>

Each set of fact sheets contains updates of earlier fact sheets, plus fact sheets on new topics as necessary. EPA makes fact sheets available to the public as follows:

- ‣ at two libraries in Parker, Arizona
- ‣ at workshops and meetings
- ‣ by mail to interested parties
- ‣ on the web page (beginning April 2004)
